

## UNIFORMS 2019-2020

In addition to our continued partnership with City Stitches for the majority of our uniform items, we are continuing a partnership with Lands End for uniform pants and shorts.

We have chosen Lands End as a provider for their quality and lifetime warranty for school uniforms. Any/all promotions on Lands End's website are applicable to the purchasing of school uniform pants/shorts. If at any time there is an issue with your purchased clothing, you simply call and Lands End will replace without question or return of the original item. Scrip is available for Lands End with a 16% kickback, Lands End also donates a portion of its proceeds to all schools it partners with. Uniform Pants/Shorts MUST be purchased through the official Lands End MQTT store which can be accessed at the following link: <http://www.landsend.com/pp/SchoolSearch.html?action=landing&selectedSchoolNum=900186859>

The link will ask for the student name and grade level. Then, simply click below the save school button on "shop now". This will bring you to the store with all acceptable styles and colors for the pants/shorts. If the link does not work, simply go to [landsend.com](http://www.landsend.com) and under the school uniform tab, click "search for your school". The pants/shorts will have a small logo so they are identifiable. You place your order online and they are shipped direct to your house.
