"Let us run with perseverance the race marked out for us." – Hebrews 12:1

As we approach the final stretch of the school year, we are reminded to stay focused and finish strong. The weeks ahead are filled with important work, but also opportunities to grow, support one another, and take pride in how far we've come. - Our annual Armageddon Games will take place on Friday, May 8. This fun-filled tradition gives students the opportunity to compete by grade level in a variety of activities and build school spirit. Please note that students who are not meeting Marquette's academic expectations may not be eligible to participate, so we encourage all students to stay focused on their coursework this week.
