

TODAY @ The Deli

The Marquette Deli has been serving our students for years! We offer a wide variety of items from home-made hot and cold sandwiches, soups and some of the best fresh salads on a rotating basis, like the Chef and Caesar and wraps like the Fried Chicken and Beef-n-Cheddar. We didn't forget about dessert...there are muffins, cookies, brownies and fresh cut fruit. All of our hot sandwiches are made on fresh bread from Turano Bread Co. Did you say ramen?! We have that too!

Breakfast! The Keurig machine serves a wide variety of coffees and hot chocolate to choose from as well as offering other juices, waters, teas and drinks. Also served are oatmeal, bagels, yogurt parfaits, granola bars and on occasion breakfast sandwiches (sometimes for lunch!).

Menu items do change daily and the kids are notified each morning about the menu via email.

The deli accepts cash and credit cards. All items range from \$1 - \$7. Credit cards have a \$3 minimum charge.

The Deli is open daily from 7:30 till the end of lunch service.

We do our best to offer a variety of foods for everyone but if you have a specific dietary concerns please contact Mrs. Williams at sarah.williams@marquette-hs.org

Thank you !
