

TODAY @ The Deli

The Marquette Deli has been serving our students for years! The Deli is open daily from 7:30 till the end of lunch service.

We offer a large selection of fresh made items. Items include hot and cold sandwiches, soups, fresh salads and wraps. We have take-n-make items as well. All of our hot sandwiches are made on fresh bread from Turano Bread Co. Did you say ramen?! We have that too!

We didn't forget about dessert...there are muffins, cookies, brownies and fresh cut fruit. And a donut is great any time of the day!

Breakfast! The Keurig machine serves a wide variety of hot and iced coffees and hot chocolate to choose from as well as offering other juices, waters, teas and drinks. Also served are bagels, yogurt parfaits, granola bars and on occasion breakfast items.

Menu items do change daily and the kids are notified each morning about the menu via email. We do our best to offer a variety of foods for everyone but if you have a specific dietary concern or need please contact Mrs. Williams at sarah.williams@marquette-hs.org

The deli accepts cash and credit cards. All items range from \$1 - \$7. Credit cards have a \$3 minimum charge or a .15 upcharge.

Thank you !
