I. ABOUT MARQUETTE CATHOLIC HIGH SCHOOL

Leading the Future of Education

Marquette Catholic's vision statement anchors itself in our Catholic tradition of high academic expectations and faith formation for all students. The statement illustrates and speaks to how the world will view Marquette Catholic High School five years from the present. The vision considers four themes inspiring Marquette's implementation and strategic plan: Leading the Future of Catholic Education.

- Teaching & Learning
- Catholic Faith & Service
- Diverse & Inclusive Culture
- Globalization

Belief Statement

...Be More Campaign

In everything we do, we believe in challenging the traditional way of educating our students. We believe in thinking critically and inspiring them to do the same. We do this by encouraging them to be driven, to be global, to be passionate, to be connected, to find faith, to discover God and to work for the common good. We ask our students to embrace high expectations and become exceptional.

Mission Statement

Marquette Catholic High School, open to students of all faiths and cultures, promotes a college preparatory and global curriculum rooted in the gospel values of peace, service, freedom, love and justice. We afford students opportunities to develop a personal relationship with Jesus and a love for His church. We challenge students academically, socially, and spiritually.

Vision Statement

Marquette Catholic High School, a Catholic Diocese of Gary urban school, is known globally for academic excellence and Catholic faith formation. Our students and teachers have a thirst for knowledge and learning. They live for the common good.

Diversity Statement

Diversity is an integral and indispensable component of academic excellence and holistic student development. Marquette Catholic High School has the Christian responsibility to create and maintain a climate that affirms diversity of persons as well as diversity of views. A commitment to diversity means a commitment to the inclusion, welcome, and support of individuals from all groups, encompassing the various characteristics of persons in our community. Among these characteristics are race, ethnicity, national origin, gender, age, socioeconomic background, sexual orientation, geographic and linguistic background, religion, and physical ability. As we embrace and harness the power of diversity in our global world, we will provide students, faculty, and staff a high school experience rich in perspectives and opportunities to learn from each other.

III. ACADEMICS

Office of Academic Affairs: Ms. Tracy Wagner (Tracy.Wagner@marquette-hs.org) and Mr. Anthony Holt (Anthony.Holt@marquette-hs.org)

Academic Code of Conduct & Discipline

At Marquette Catholic High School, we seek to create a healthy moral environment and to build a school community reflecting gospel values and the spirit of Jesus' love. We wish to develop an atmosphere that is conducive to learning, protect members of our school family from injury or malicious harm, and safeguard both private and school property. Our goal is to aid our students in growing into mature responsible Christian leaders. Firm and sound discipline of the individual is basic to this development. Respectful behavior must be taught, learned, and practiced.

As a Catholic school community, opportunities to gather in prayer are especially important. Student behavior during liturgies and prayer should be exemplary. Students should always remain silent during Mass and prayer experiences except to pray aloud or sing as appropriate. Students who are not of the Catholic faith are expected to participate as fully as possible and to remain in respectful silence when not participating.

We expect everyone here, students, parents, teachers, administrators, and staff, to treat all others with respect. Courteous behavior and respect for the rights of others are expected of all students in classrooms, on campus, within the vicinity of school, and at all school functions both on and off campus. Off-campus conduct by the student and/or parent that reflects negatively on Marquette Catholic High School may be grounds for school disciplinary action, including, but not limited to, expulsion in the school's sole discretion. All conduct and disciplinary decisions are decided upon by the school administration.

Materials/Resources

Students are required to pay the \$350/year technology/materials fee. Please see Marquette's responsible use policy for further information. Additionally, a calculator may be required for mathematics class.

Homework

Homework is considered an integral part of the educational process. Success at Marquette Catholic requires students to be well-organized, disciplined, and come to class prepared to learn each day. Students can expect between one and three hours of homework each night. In the event of an excused absence, students must meet with their teacher immediately. Homework may not be submitted if the absence is unexcused or if the student was suspended from school. If in attendance for any portion of the school day, students are required to submit any homework that is due that day. In the event work is turned in late, it is up to the teacher's discretion to lower the percentage of completed work. When a student misses three assignments, they will be required to spend time after school in that teacher's classroom until 3:30 pm until the missing assignments are completed.

Student Academic Progress

Progress may be accessed by using FACTS. Passwords are issued to each student and their parents at the start of the school year. Grades are updated biweekly. Student report cards may be viewed on FACTS and updated twice a year, following the end of each term. Cumulative GPAs are also included on the grade reports. It is expected that parents, teachers, and students share the responsibility of communicating student progress.

Grading Scale

For the purpose of computing cumulative grade-point averages (GPA), and Honor Roll, Marquette Catholic High School uses a standard 4.0 scale, except for the honors courses which use a 4.5 scale, and dual enrollment/AP courses which use a 5.0 scale. Only semester grades appear on the transcript and are used for computing Honor Roll.

The scale that follows shows the numerical equivalent of each letter grade.

LETTER GRADE	PERCENTAGE	COLLEGE PREP GPA	HONORS GPA	DE/AP GPA
A	93-100	4.00	4.50	5.00
A-	90-92	3.70	4.20	4.70
B+	87-89	3.30	3.80	4.30
B	83-86	3.00	3.50	4.00
B-	80-82	2.70	3.20	3.70
C+	77-79	2.30	2.80	3.30
C	73-76	2.00	2.50	3.00
C-	70-72	1.70	2.20	2.70
D+	67-69	1.30	1.80	2.30
D	63-66	1.00	1.50	2.00
D-	60-62	0.70	1.20	1.70
F	0-59	0.00	0.00	0.00

Academic Honor Roll

Honor Roll is based on the semester GPA.

Summa Cum Laude	4.0 or above
Magna Cum Laude	3.70 to 3.99
Cum Laude	3.00 to 3.69

Honors Criteria

The following criteria will be considered when applying for an honors level course:

- Student must be in the top 15-20% of their respective class
- 3.7 or higher cumulative GPA
- Student must have earned an “A” average in prerequisite class
- Test scores: HSPT, reading levels, PSAT
- Teacher recommendation
- Dual-credit courses may be subject to other entrance requirements, including but not limited to passing the Accuplacer (Ivy Tech) Test and so forth.

Students who do not maintain a B average in honors courses may be removed from the class upon teacher recommendation at the completion of a quarter and/or semester.

Marquette Catholic Expectations for Dual-Credit/Honors and AP Courses

- 1) The goal for students in honors level courses is more than just being able to reproduce what was told to you in the classroom. Expect to be able to apply what you have learned in new situations.
- 2) Expect material to be covered at what seems to be an increased pace. Retention of previous material is essential to further development of the concepts and success. It is expected that students have mastered the concepts of the pre-requisite courses and having to re-learn these concepts while expanding and applying them will cause additional stress.
- 3) Classroom time is at a premium so it must be used efficiently. Do not expect to be able to get your homework done in class as well as learn new material simultaneously. Also, do not expect to do homework for another class and be successful in this one.
- 4) Take notes in class! Since learning the material is your responsibility, having the information written by your own hand will increase your opportunity to learn and retain the information.
- 5) You cannot be “taught” everything inside the classroom as experience working the problems and combining the theory takes time and practice. Therefore, it is essential that you do your homework to give you this needed time to process the material.
- 6) The instructor’s job is to provide a solid framework with some particulars to guide the student into learning the concepts and methods which comprise the material of the course. It is NOT to “program” you with isolated facts and problem types that you can simply regurgitate.
- 7) You must use your resources, materials, and apps to guide you through the class. There are two different approaches:
 - a. Read for the first time the appropriate section(s) of the resources before the material is presented in the classroom. As the material is taught, you can then

process and sort the specific content into what you have generally learned. Being prepared for class makes the accelerated pace more manageable (recommended for most students).

b. Try to pick up what you can from the lecture by absorbing the general idea or through taking notes. Then read through the appropriate section(s) of the book to sort through the learned material properly (not recommended for most students as this tends to cause “information overload”).

8) Ask questions in class. Though it may appear most classmates are “getting it,” chances are others will appreciate your question rather than resent your asking it (provided that your question shows that you have been fully engaged in the classroom discussion).

9) Study with other students in the class. This will greatly decrease your chances of “learning the material wrong.” More importantly, it will give you the opportunity to engage others in the discussion of the material which will help clarify everyone’s knowledge.

Final Exams

All students are required to be in attendance for final exams when assigned. All financial obligations must be current. This also includes athletic fees and all sport uniforms returned to Marquette Catholic. Final exams are generally scheduled the final week of a semester. Two exams are scheduled daily. Each course will have a final exam during exam week. College prep level courses have final exams that are worth 15% of your final grade. Honors, AP, and DE final exams are worth 20% of your final grade.

National Honor Society

National Honor Society is an organization that serves to recognize and challenge students who exhibit outstanding scholarship, leadership, service, and character. NHS sponsors service projects throughout the year - including peer tutoring and community blood drives, and raises funds for various charitable organizations. Members of NHS are expected to participate in these service-oriented activities while still maintaining the organization's high academic and personal standards.

To be considered for membership, Administration will select a committee of five members consisting of teachers, staff members and administrators to facilitate the NHS member selection. Committee appointments are confidential per NHS by-laws. To be considered for membership, a student's cumulative GPA must be a minimum of 3.6 on a 4.0 grading scale. A student must be a sophomore, junior, or senior. A student must have attended Marquette Catholic for a minimum of two semesters before he/she is considered for membership. A student will receive an invitation to complete an NHS application after first-semester cumulative grades have been computed. Collecting and submitting applications are the student’s responsibility. Applications must be completed by the deadline to be considered for spring induction to NHS. The committee reviews all applications and determines a student's eligibility.

Schedule Change Policy

Students are expected to complete courses for which they are enrolled. Changes are initiated through the Office of Academic Advising.

Academic Advising may not be able to accommodate all schedule change requests. Advising, in coordination with Administration, has the ability to address individual cases as needed. Class size or section conflicts may prevent the student from receiving his or her first choice of elective and/or honors level courses. Additionally, if at the time when course selections and registration are available, a student receives approval for a particular course, but subsequently drops in performance or fails to fulfill course prerequisites, the student will be placed in an alternative elective course based upon availability.

Academic Recovery Time (ART)

A proactive approach is essential to student success. This means staying up-to-date on classwork and assignments. When a student misses their third assignment (in any class), that student will be assigned Academic Recovery Time (ART). Academic Recovery Time is not a behavioral infraction, but rather a support measure. ART is held each day from 2:45-3:30 p.m. in the affected teachers' classroom. Failure to attend this support measure will result in disciplinary action including, but not limited to, detention and/or suspension.

World Language Department Policy

A student enrolled in a foreign language course will be held to a policy set forth by our World Language Department. Any absence (excused, unexcused, etc) will result in a 10-15 minute, one-on-one scheduled meeting with the student's corresponding teacher after school. This is not a behavioral infraction, but due to the nature of these courses and the hands-on information communicated daily, in-person make-up sessions are required.

Academic Probation

A student is placed on academic probation when the student earns less than a 2.00 grade point average for one semester and/or cumulative grade point average, and/or fails two or more classes in a semester. A student is subject to dismissal from Marquette Catholic if the student earns less than a 2.00 GPA for two semesters and/or cumulative grade point average, and/or fails two or more classes in a semester. In addition to increasing the student's GPA, students on academic probation must maintain a 95% attendance rate. Any student who is on probation will not be allowed to participate in extracurricular activities.

It is our sincere desire to assist you in reaching your educational goal. Some areas of assistance we would like you to consider are:

- Office of Academic Affairs: Contact Ms. Wagner or Mr. Holt to schedule a meeting to review current grades and credits
- Scaffolding plan with peer tutor
- Schedule time with your instructor(s)

We strongly recommend you utilize these resources as soon as possible to develop a positive plan of action. Students are expected to take this initiative and we will always encourage them to advocate for themselves and their academic well-being.

Policy for Student Accommodations

Marquette Catholic High School, as a private school, does not implement or provide Individual Education Plans (IEP) for its students. Special Education law affects private schools differently than public schools. Public schools are mandated to provide services to students identified with special needs. Private schools are not required to provide an IEP. They are not required to provide special education services to children with disabilities. We at Marquette offer adaptations to those students needing special assistance, whether the cause is medical, physical, or emotionally based. This may mean extra time on a test, the use of electronic devices, relocation of classroom services, etc. All accommodations that are requested must involve written request and consent from Administration and the students' parents or guardians

Teachers, staff, and all other personnel at Marquette Catholic High School are expected to adequately provide accommodations to students identified with any recognized disability and/or service plan. The Office of Academic Affairs will coordinate requests for adaptations with standardized testing to include SAT, ACT, PSAT, and IDOE mandated testing.

It is our intention to provide an equivalent learning environment for all students. This practice does not seek to afford anyone with an advantage over others. Rather, our goal is to support a level playing field throughout the school year.

Academic Honor Code

Administration and faculty of Marquette Catholic High School are dedicated not only to teaching academic skills but also to fostering integrity among our students. Recognizing that today's students are tomorrow's leaders, students must be encouraged to recognize, understand and practice ethical behavior. In an effort to accomplish this goal, the following policy is presented to help students avoid what is considered unethical behavior and to help guide them toward more acceptable conduct.

For assignments, papers, books, reports, tests, quizzes:

Infractions are cumulative during the student's entire enrollment at Marquette Catholic High School and are to be graduated in severity. (i.e., if a student cheats in a Math class and is reported and sometime later in the same year or during another year cheats in History class that will count as two violations.)

Consequences:

- 1st offense: a zero (O) for the assignment, parents notified by the teacher and a copy of the letter is to be put in the student's disciplinary file
- 2nd offense: consequence as in #1, 2 hour detention
- 3rd offense: consequence as in #1 and #2, and Administration, teacher, parent, and student will meet for a final warning
- 4th offense: student may be expelled from school

Some examples of cheating are, but not limited to: copying another person's work to be submitted as one's own work; plagiarism (see below); having, using, or attempting to use unauthorized aids books, notes, Apple applications including, but not limited to Messenger, electronic aids on tests, quizzes, papers, or projects; writing formulas, notes, or anything on desks, paper, hands or clothing to be used or actually used on the assignment, test, or quiz; talking during a testing session; having a copy of the test or answers to the test; providing specific information about a test to someone who has not yet taken the test; giving unauthorized assistance to a fellow student, (i.e., giving students homework to copy, allowing another student to look at test papers, doing another student's assignment for them); forgery in connection with academic endeavors or school processes or procedures.

Plagiarism results from the unacknowledged use of material found in print sources, oral presentations, or visual, electronic or other media sources. Plagiarism does not require an intention to deceive. It can result when a student submits as his or her own work ideas, language, data or other material contained in a source not attributed by the student, if the student knew or should have known that such attribution was required.

Plagiarism includes, but is not limited to the following:

- Submitting another author's published or unpublished work, in whole, in part, or in paraphrase, as one's own work, without fully and properly crediting the other author with footnotes, citations or other bibliographical reference;
- Submitting as one's own original work any material, including data, tables, graphs, charts, or other visual material obtained from any source, without acknowledgment and citation of the source;
- Submitting as one's own original work material produced through unacknowledged collaboration with others, unless such collaboration is permitted by the instructor

Transcripts

Marquette is now sending electronic transcripts to colleges and the NCAA through Parchment. All requests must be made through the Parchment website (www.parchment.com). You must create an account and then add Marquette as your high school and request the transcript to your specific location. You will receive an email confirmation when it has been sent.

Only those grades reported from courses where successful completion meets requirements towards an Indiana high school diploma or credential such as the Indiana College Core will be reflected on an official Marquette Catholic High School transcript.

Transcript request forms for scholarship applications **ONLY** are available in the Office of Academic Affairs.

Dual Credit Notification Permissions

According to FERPA, college students are allowed to determine who will receive information about them. While parents understandably have an interest in a student's academic progress, they are not automatically granted access to a student's college records without written consent of the student. Parents are encouraged to consult with the student or with the student's high school if

academic information pertaining to a student's dual credit coursework is needed. Any student may give permission for parents or anyone else to obtain information about his/her Ivy Tech academic records by completing a FERPA Student Waiver form at the Office of the Registrar at their local Ivy Tech campus.

Transcript Request Policy

Current seniors: Marquette students who are currently in high school should request transcripts for colleges and universities using our partner and online transcript request program, Parchment. Please allow 3-5 business days from the time your request is completed in Parchment for processing of your request.

College Field Trips

Marquette will offer several field trips to college campuses throughout Indiana, Michigan and Illinois each semester. Each field trip will be announced via an email from the Academic Advising team. Please note several factors are involved with selecting the students to go on the field trips, including but not limited to: good academic standing, prior behavior on field trips, grade level (seniors have first priority, then juniors, and so forth).

Required for Field Trips:

- Students will be required to pick up and hand in permission slip by due date.
- Students must be in full uniform when attending the college field trips.
- ALL students must be on best behavior during field trip.
- It is the student's responsibility to notify your teachers in advance about your absence.

College Representative Visits to Marquette

Throughout the school year, college representatives visit Marquette Catholic High school to speak with potential students. Please see the calendar and check your emails for the most current list of visits. This is a fantastic way to meet face-to-face with a rep and ask specific questions you may have. In many cases, the reps that visit our school are from admissions and may be the person who may be evaluating their application. Often, the college reps will assess students "fit" at their institutions and assist with improving chances of admission.

Service Learning

The Service Learning Program at Marquette Catholic High School is a basic part of our school's mission that fosters a life of service and witness to the message of the Word of God. By volunteering their energies and talents to the people and organizations in our community, students fulfill their obligations to perform corporal and spiritual works of mercy. Service at our school is part of who we are as a people of faith in Christ. Although there are prescribed hours of service for students to complete in each Theology class, it is our hope the school's culture naturally promotes service endeavors.

Service hours may be completed only during the semester class in which the student is enrolled. Hours completed beyond class will be considered for the Presidential Award.

Special Recognition: Seniors who have accumulated a minimum 200 or more hours of service during their time at Marquette Catholic will be recognized for their outstanding efforts at graduation. 200 hours - Red, white and blue cord for service.

President's Service Award:

Bronze 100-174

Silver 175-249

Gold 250 +

Portfolio: Once hours have been completed, each student must document their service hours via an electronic portfolio. Portfolios are to be submitted to their theology teacher for approval as service hour requirements are met. Approved hours will be documented by the theology teacher in FACTS. Those student portfolios demonstrating 200-plus hours of service will be selected for special recognition at graduation. Additionally, students may receive the Presidential Service Award as prescribed above. All service experiences complete the Hours Verification Form Letter as a minimum for experience documentation signed by the event facilitator or supervisor. These forms are available online at Marquette-hs.org. Additional artifacts should include:

- Thank you letters to the student from the organization
- Pictures
- Letters documenting the experience written by the supervisor on organization letterhead
- Description/reflection from the service experience
- Video
- Additionally approved artifacts

Academic Progress Reports

Academic progress may be accessed by using FACTS. Passwords are issued to each student and their parents at the start of the school year. Grades are updated bi-weekly and final grades at the conclusion of the semester. It is the prerogative of the teacher to inform and communicate with parents and students daily/weekly etc. Students receive online report cards at the end of each semester. It is expected parents, teachers, and students share the responsibility of communicating student progress. *It is the responsibility of the teacher to inform parents of any student receiving a D/F in a course at any given time during the semester.*

IV. HEALTH SERVICES

Health Services

Medications: Students are not allowed to be in possession of any medications while in school. All medicine must be brought to the main office along with a parental note stating directions for administering the medication. Please keep the main office informed of any medical conditions.

Insurance

Marquette Catholic High School has a continuing concern about the increasing cost of medical care as it relates to both student and athletic accidents. As a result of this concern, we have purchased a program of blanket student & athletic accident coverage for all students.

This program is intended to supplement your family or employer group coverage or plan. It is NOT designed to replace your present coverage. The policy is held by the school.

The coverage is for medical bills only resulting from accidents only that take place during supervised and sponsored school activities including the official play and practice of interscholastic sports. An accident is defined as an unexpected, sudden and definable event which is the direct cause of a bodily injury, independent of any illness or congenital predisposition. Conditions which result from participation in school activities do not necessarily constitute an accident. Illnesses, disease, degeneration and conditions caused by continued stress to a particular area of the body, and existing conditions aggravated or exacerbated by an accident are NOT covered.

The plan is excess coverage and payment is made only after payment has been made by the primary carrier. If you are a member of an HMO/PPO, the proper procedures outlined by that plan must be followed before this coverage has any liability.

Treatment by a licensed practitioner of medicine must begin within 60 days of the accident. Only expenses incurred within 52 weeks of the date of the original accident are considered. All bills and insurance information must be submitted within 15 months of the date of the original accident. Benefits are determined by the reasonable and necessary charges for the geographic region.

If a claim is otherwise payable and it is denied by your family or employer group coverage or plan because your deductible has not been met, this coverage will apply.

If your son or daughter should be injured in a school activity, report the accident to the school administration immediately and obtain an insurance claim form. Follow the instructions on the claim form. The claims are processed by *Arthur J. Gallagher Risk Management Services, Inc.* If you have any questions about the claim filing procedure, please call them at 1-800-243-6298.

The following items are not covered by insurance:

- Suicide or a suicide attempt while sane: or self-destruction or an attempt to self-destroy while sane.
- Riding in a vehicle or device for aerial navigation, except as a passenger in a scheduled aircraft used for transportation of passengers.
- Hernia, in any form
- Sickness or disease in any form
- Fighting, unless as an innocent victim
- Expense incurred for the use of orthotics unless used exclusively to promote healing
- Non-prescription drugs
- Loss covered by other valid and collectible insurance or plan

V. ATTENDANCE

Attendance Policy

Marquette Catholic High School strongly believes that regular, in person attendance and punctuality are essential to good performance in school. Through the combined efforts of students, parents, and school personnel, the goals of punctuality, self-discipline, and responsibility can be developed as we prepare students for the adult world. Regular attendance is a necessary part of this preparation.

Absence from school is often the single greatest cause of poor academic achievement. Since the learning process is a progressive activity, each day's lesson is built upon class activities which took place on previous days. Whenever a class is missed, for whatever reason, that experience cannot be fully duplicated. Each student attending Marquette Catholic High School is expected to make every effort to be in school every day. Students failing to meet this expectation may suffer disciplinary consequences, referral to the administration, possible dismissal, and/or referral to probation in accordance with Indiana's Compulsory School Attendance Law.

Excused Absence

Excused absences are defined as those the school regards as legitimate reasons for being out of school. These could include:

- Illness verified by note from parent/guardian (no more than three per semester)
- Illness verified by note from Physician (after three parent excused calls)
- Family funeral
- Maternity
- Military-connected families (e.g. absences related to deployment/return)
- Excused by the school administration (48-hour notice required)

Excused absences allow students to make up missing work at each teacher's discretion without academic penalty. Though **there are multiple valid excuses for missing school, please know that no student will be granted more than 5 excused absences for any reason each semester. This means that no more than 10 absences will be marked excused each school year. After 10 excused absences, each absence will be marked as unexcused regardless of how necessary they may seem to be.** All unexcused absences come with consequences.

I. Types of Absences

EXCUSED — The student is allowed to make up the missed work and the absence is counted against the attendance requirement.

UNEXCUSED / TRUANT — These absences are counted against the attendance requirement and additional consequences may apply.

EXEMPT — The student is allowed to make up the missed work and the absence is not counted against the attendance requirement.

A. Excused Absence

An excused absence is an absence from school for any portion of the day under circumstances granted by law or recognized by Marquette Catholic High School through administrative approval. It is highly recommended that absences be avoided whenever possible; however, we recognize that on occasion such absences are necessary. These include, but are not limited to, the following examples:

- Illness verified by a note from a parent/guardian
- Illness verified by a note from a physician
- Family funeral
- Military connected families (e.g. absences related to deployment/return)
- Emergency family situations
- Personal religious observance
- Excused by the school administration (48-hour notice required)

Excused absences allow students to make up missing work at each teacher's discretion without academic penalty. Though there are multiple valid excuses for missing school, no more than 10 absences will be marked excused each school year. After 10 excused absences, each absence will be marked as unexcused regardless of how necessary they may seem to be.

B. Unexcused Absence

An unexcused absence is an absence from school for any single portion of the day under circumstances not covered by law or recognized by the school. Some examples of unexcused absences include the following:

- Truancy (oversleeping, skipping class, etc.)
- Time missed for disciplinary reasons
- No parental contact on the day of absence
- No parental note upon return to school
- Excessive absence
- Family vacation

All unexcused absences will be addressed by the school administration. It is the school administration's discretion to determine consequences or a plan to address attendance issues.

C. Exempt Absence

An exempt absence is not counted toward the attendance limit. The student cannot be penalized in any way by the school for any of the following reasons:

- Prolonged personal illness (including hospital stays)
 - Prolonged is defined as Dr. recommended absence for longer than 5 consecutive days
- Funeral – family member – immediate family, grandparents
- Working on precinct election board or assistant to a political candidate or a political party on the date of a general, town, or special election
- All court appearances
- When serving with the National Guard for no more than 10 days
- When serving with the Civil Air Patrol for no more than 5 days
- When the student or a member of the student’s household exhibits or participates in the Indiana State Fair for educational purposes for no more than 5 days

NO OTHER ABSENCES ARE EXEMPT. Administrative discretion will be applied to all situations.

II. **Chronic Absence**

IC 20-20-8-8 defines “chronic absenteeism” as a student who is absent from school for ten percent (10%) or more of a school year for any reason. Furthermore, IC 20-20-8-8 defines “habitual truancy” as a student who is absent 10 days or more from school within a school year without being excused or without being absent under a parental request that has been filed with the school. As a result, Marquette Catholic High School is required to continuously monitor student attendance, reduce absenteeism and truancy and report students who are chronically absent or habitually truant to the state, which includes referral to the Indiana Department of Child Services and revocation of the driver’s permit/license and/or work permit.

Repeated absence is cause for great concern and will be dealt with accordingly. A student who is chronically absent or habitually truant will be placed on an Attendance Contract. If the student violates the terms of their contract by missing additional days, the student may be subject to review for dismissal. Under an Attendance Contract, all excused absences may be considered unexcused, regardless of how necessary they may seem to be.

III. **School Procedures Concerning Consequences of Absences**

A. **Classroom Tardiness**

Marquette Catholic High School is responsible for students developing a sense of self-management. Demanding punctuality is directed toward that goal. Punctuality is the duty and responsibility of each student. Students are expected to be on time for all classes and scheduled activities during the school day. If a student is more than 15 minutes late from the class, it will be considered an unexcused absence for that class period.

Tardiness is defined as a student not being in an assigned area or classroom when the allowed passing time has expired. A student is tardy if he/she is not in the classroom when the bell rings. Excused tardies will include a signed pass, phone call, email, or other form of communication from their previous location. Unexcused tardies are those not accompanied by any valid excuse, verbal or written. Tardiness decisions are made by teachers on a case by case basis and reported in FACTS. Students who form a pattern of being tardy for any period of the day are in jeopardy of receiving no credit for the course.

If a student is tardy, teachers MUST follow the procedures outlined below.

First Tardy	Second Tardy	Third Tardy	Fourth Tardy	Subsequent Tardies
Inform the student of the tardy	Inform the student of the second tardy	Inform the student of the third tardy and issue detention	Inform the student of the fourth tardy and issue detention	Student will be sent to Principal's Office
Warning	Warning	1 hour detention	2 hour detention	Appropriate disciplinary consequences, which may include in school suspension, out of school suspension, etc.
	Subsequent tardies for that class will result in a referral to the Principal	Subsequent tardies for that class will result in referral to the Principal and further discipline	Subsequent tardies for that class will result in referral to the Principal and further discipline	If the problem continues, the consequences will become stronger and could include revoking the students' driving privileges

B. Consequences for Unexcused Absences

All unexcused absences will be addressed by school administration to determine consequences or create a plan to address attendance issues. Unlike excused absences, unexcused absences can affect a student's grade. Reduced or partial credit may be given depending on the work that the student missed and when it is ultimately completed and submitted. Work that was due on a day in which a student's absence is unexcused will be subject to a grade reduction at the teacher's discretion.

Habitual unexcused absences will also result in disciplinary action that can include restricting extracurricular activities, limiting school event participation, detention, suspension, and even dismissal from Marquette Catholic High School.

C. Extracurricular Activities

Daily attendance at school is expected. Students involved in any extracurricular activity (including sports) must have attended class for all periods on the day of the activity in order to be able to participate in that activity. Approved field trips or school activities constitute attending school. Any exemptions (funeral, dental, doctor, for example) must be approved by Administration. "Sleeping in" is not an allowable exemption.

D. Field Trips

The student is responsible for obtaining assignments and missed work. Students must turn in the assignment due on the day of the field trip before leaving. If a test is given on the day of the field trip, prior arrangements must be made with the teacher for taking that test.

IV. Procedures For Reporting Absences

A. How to Report Your Child Off From School

EMAIL: jan.wagner@marquette-hs.org

CALL: (219) 873-1325

- Call offs must be reported to the attendance office by 8:30 a.m. on the day of the student's absence.
- Call-offs must be reported by the parent/guardian using the email or phone number we have on file.
- State the reason for the absence: Personal, Appointment, Student Illness, or Family Illness.
- If there is no communication for the absence, the student will automatically receive an unexcused absence.
- Students leaving early for the day must sign out in the main office. If the student drives, a parent/guardian must let the office know in advance via phone or email.

B. Pre-Arranged Absences

The school strongly discourages students from taking family trips/vacations during the school year. Extended absences place students at an academic risk. If there is a need for a pre-arranged absence, the school must be notified well in advance in the Main Office for administrative approval. Submitting a form does not guarantee that the absence will be approved or excused, especially during final examinations. If approved, it is the student's responsibility to make arrangements with his/her teachers for the work that he/she will miss during the approved, pre-arranged absence.

V. Emergency Delays and Closings

Since Marquette's student body reaches many communities, it is difficult to make a blanket policy regarding closings and/or delays. Marquette's decisions regarding delays and closings do not always align with the decisions of local public school districts. Marquette will announce closings or delays via email, social media, and the school website. If a delay or closing is not announced, class will be in session.

The final decision must rest with the parents. **If a parent feels that it is too dangerous to drive or to send the student out into adverse conditions, then the use of prudent judgment is required and respected.** Absences due to these circumstances will be considered excused.

In most instances, emergency closing days will be accompanied with an online component for student work completion; these are called Virtual Learning Days. Teachers will communicate expectations for student work completion and deadlines for Virtual Learning Days via FACTS, Google Classroom, or email.

VI. Virtual Learning Days

Students will need to check in via email with their 1st-hour teacher by 8:15 a.m. for attendance. If a student fails to check in, and no contact is made explaining the absence, it is unexcused and they receive zero credit on all assignments for that day.

- Assignments for the day are posted on FACTS and/or Google Classroom
- Teachers may assign 42 minutes of work or the equivalent of one period
- Teachers will be available via email during regular school hours
- Students are expected to have all work completed by 5:00 p.m. that day
- The work should be essential to what would have been taught in school: engaging, explorative, relevant, etc. and should mirror a lesson
- Student safety is our priority, and virtual learning days support that priority

VI. DRESS CODE

Philosophy and Expectations

As a Marquette student, you represent all members of the school community. The school and team sport uniforms that you wear identify you as a member of our Catholic community. Uniforms are to be worn daily unless specified by Administration. All uniform items must be purchased through the school-selected vendor (City Stitches - located at 1405 Franklin Street, Michigan City). All items will be made available to students at registration and during the spring and summer months prior to enrollment. Wearing your uniform properly and with pride reflects positively on yourself and all of the Marquette community. We seek to maintain an atmosphere

that is conducive to the highest quality of academic pursuit. Since the appearance of students contributes greatly to their attitude in school and the respect they earn in public, all students are expected to adhere to the following uniform expectations.

All uniform items are defined as either a **primary layer** or a **secondary layer** as defined below. Any students wearing secondary layers must have primary layer items underneath. For example, a letterman’s jacket is a secondary layer item. Students are required to wear a primary layer, like their uniform polo, underneath it.

Building Entry Key Fobs

Fobs may be used for entry into Doors A1 and A2 of the main building and Doors B4 only.

- Fobs are considered part of our uniform and should be visible at all times around the neck, via the lanyard provided.
- Do not modify your fob in any way. They should maintain their original appearance and integrity. No alternative lanyards are permitted.
- Bring any damaged or non functional fobs to the main office immediately so they can be repaired or replaced.
- Missing fobs must be reported immediately so that they can be deactivated
- Loaner fobs will be lent out to students from the main office in the event that a student temporarily misplaces their assigned fob
- All loaner fobs must be returned at the end of each school day.
- Students who need a loaner fob more than 3 consecutive days, or habitually require multiple loaner fobs each week, will have their FACTs account charged \$10. In this event, their old fobs will be assumed permanently lost. They will be deactivated and replaced by administration.
- Entry into either building using fobs will only be permitted during school hours
- Fobs that are permanently lost, damaged, or not returned during our year end “Tech Return Day” will result in a \$10 charge to their FACTs account.

If a student is not in proper uniform, it is the right of administration to discipline the student accordingly.

VII. BEHAVIOR POLICIES AND PROCEDURES

Code of Conduct

According to the mission and vision of Marquette Catholic High School that emphasizes deep respect for human dignity and the value of every individual, each student is to be considerate of the rights of others in all interactions. All students are expected to cooperate with the spirit and policies of the school which are designed to foster mature development, personal responsibility and a Christian attitude. Each student is expected to behave appropriately at all times, respect the rights of others, and adhere to all classroom rules and school regulations.

Conferences for Behavioral Concerns

Conferences to discuss behaviors that affect successful school performance are scheduled by a school administrator and usually include the school administration, the guidance counselor, teachers and parent(s). The use of recording devices during conferences is prohibited. The secretive recording by a student or parent will result in immediate withdrawal or expulsion of the student. **Because parent cooperation is essential to successful education and discipline, the administration of Marquette Catholic High School has the right to involuntarily withdraw a student when the parent/guardian of the student acts in ways not helpful to the successful education of the student as determined by the administration. If a member of administration or faculty is not permitted to communicate or meet with a student per a parent's instructions, the student will be withdrawn from the school.**

Disciplinary Consequences

Classroom teachers are responsible for discipline in their rooms. Students are expected to comply with all class rules set forth by a teacher, as well as whatever disciplinary actions are imposed for noncompliance. When a teacher judges that a student's discipline problems have become excessive and/or all reasonable courses of action have been tried or considered, the student will be sent to Administration for further action.

Administrators and teachers document behavior incidents in student files and on FACTS when appropriate. When a behavior infraction is entered, a consequence is determined and the incident will be reported to the parent(s) via FACTS and/or email.

- Level 1 infractions incur a FACTS behavioral event entry, parent email, and/or detention as determined by the classroom teacher/staff member.

Level 1 includes but is not limited to:

1. Classroom disruption as defined by the classroom teacher
2. Gum, food in class, spitting
3. Note writing, teasing, name calling
4. Tardy to class
5. Failure to follow directions
6. Lacking supplies
7. Touching others property
8. Dress code violation
9. Profanity, obscenity
10. Tech abuses

- Level 2 infractions incur a FACTS behavioral event entry, parent email, detention, in-school suspension, and/or out-of-school suspension as determined by Administration

Level 2 includes, but is not limited to:

1. Repeated Level 1 violation (regardless of whether each violation was previously recorded or incurred previous discipline)
2. Internet/Tech violations
3. Forgery, Cheating, Plagiarism
4. Making threats
5. Bullying, fighting
6. Possession of inappropriate items as determined by Administration or a teacher
7. Open defiance, insubordination, or disrespecting of school staff or employees

- Level 3 infractions incur FACTS behavioral event entry, parent email, at least a suspension and at the discretion of Administration, expulsion from Marquette Catholic High School

Level 3 including, but not limited to:

1. Repeated Level 2 violation or continual Level 1 violations (regardless of whether each violation was previously recorded or incurred previous discipline)
2. Firearms/weapon possession
3. Attack on school employees or other students
4. Threats to school employee or other students or their property
5. Leaving campus without permission

11. Use or possession of tobacco products
12. Use or possession of vape paraphernalia
13. Serious inappropriate behavior (as determined by Administration)
14. Stealing
15. Harassment whether sexual, physical, verbal, cyber, etc.
16. Damage to school property

Using this system as a guide, Administration reserves the right to determine consequences according to the seriousness of the infraction. Consequences may include, but are not limited to:

Detention

Detentions are typically served after school in the Scholl Center Business Lab from 3:00pm to 5:00pm. Detentions will last for either 1 hour or 2 hours depending on the infraction. General expectations during after school detention include the following:

- Arrive promptly at 3:00 pm or earlier
- No cell phone use
- No headphones, earbuds or music
- No iPad usage (no games, social media, etc)
- Sit alone at a table
- No talking
- No sleeping
- Leave promptly at the end of your detention session.

This time must be spent reflecting on behavior or performing assigned service for the betterment of the school. The purpose is to discourage negative behaviors and/or activities. Parents will be notified via email and are responsible for providing transportation for their child. Students failing to report for an assigned detention are given a second detention. Three detentions from any level infraction may result in an in-school suspension or an out-of-school suspension. Detentions have priority over extra-curricular activities. Repeated minor offenses are considered a major offense.

Probation

The administration monitors the academic and behavioral records of students throughout the school year. A student may be placed on probation if a number of disciplinary incidents occur. Probation is effective for a period of time determined by the School Administration, at which point the student may not participate in any school activity or be a member of a Marquette Catholic High School athletic team. If the student's behavior does not improve during this period, the School administration will decide if withdrawal is appropriate.

Suspension

Suspension demonstrates to the student that his/her conduct is not acceptable. It tells the student that if continued, such conduct will cause a permanent separation. If a student is placed on

out-of-school suspension, parents are notified immediately by school administration and are provided written confirmation indicating the student's date of return.

Students must complete all assignments and assessments missed during the suspension. During a behavioral suspension the student is not permitted to participate in extracurricular activities and school-related functions including but not limited to, team practices, contests, dances, club meetings, games, team try-outs, award ceremonies, and any other Marquette Catholic High School event. This period coincides with the start of the suspension and continues until the student is permitted to return to class.

Expulsion

Student behavior that is a continual source of harassment to teachers and/or fellow students, may result in involuntary withdrawal or expulsion from school. Such a request is made at the discretion of Administration. Any conduct not consistent with Catholic moral teaching and the philosophy of Marquette Catholic High School constitutes grounds for possible expulsion. Possession of illegal substances, a weapon or item judged by Administration as posing a threat to the safety of other students, will result in immediate expulsion. Administration will in all instances be the final arbiter in determining grounds for expulsion.

Students expelled from Marquette Catholic High School are not permitted to attend any school function, on or off school property, unless readmitted to school or when the expulsion period has expired.

Off-Campus Conduct

The administration of Marquette Catholic High School reserves the right to discipline its students and parents for off-campus actions that are in violation of the Code of Conduct and behavioral expectations of students.

Searches

Any vehicle parked in the student parking lot is subject to drug dog searches. Any item that is prohibited in the School is also prohibited in student vehicles. Should a drug dog discover any prohibited or illegal item, the same disciplinary procedure would apply as if the item were found on the student's person. If a drug dog indicates the possible presence of any material that the dog is trained to detect within a vehicle, then an immediate search of the vehicle can take place. Any student who drives a vehicle to school is deemed to have consented to such search. Upon a drug dog alerting its handler to a student vehicle, a School administrator will request the student to allow a further search of the vehicle. If a minor student refuses to allow such search, School personnel will immediately contact the student's parent or guardian. Illegal items may be seized by School authorities. These items will immediately be turned over to law enforcement officials for disposition as they see fit. Any student who refuses to allow his or her vehicle to be searched shall be considered to be in possession of prohibited substances as explained and is subject to discipline as explained above.

Lockers

Lockers issued to students are the property of Marquette Catholic High School and are subject to inspection and/or search and seizure of its contents at any time at the discretion of the

administration. Drug dogs may periodically search student lockers, and any prohibited or illegal items found in the student's locker are considered to be in the possession of the student.

Food Delivery

Parents may deliver student lunches to the main office only. Any delivery service during the school day outside of a direct parent or guardian through the main office will not be allowed under any circumstance and will result in disciplinary action.

Classrooms

Drug dogs may also periodically search randomly-selected classrooms. A drug dog alert to an individual, a backpack, or a desk during a search will lead to further searching and investigation by School officials or law enforcement officers.

Beverages. All beverage containers, including cups, cans, and bottles (including water bottles), are subject to search and testing by Administration with or without any suspicion of the presence of a prohibited substance.

Breathalyzer/Drug Testing. Any student who Administration suspects to be under the influence of a prohibited substance is subject to breathalyzer and/or drug testing pursuant to the testing procedure described below.

Pregnancies

Marquette Catholic maintains a responsibility to provide physical, emotional, and spiritual support to a pregnant student and the father of the child, if also a student. For a pregnant student to remain enrolled at Marquette Catholic, she must follow the direction of Administration with respect to counseling and other stipulations necessary to maintain good health and safety during said pregnancy. In the event of an abortion, Administration reserves the right to consider dismissal of the student when made aware of the situation.

Extracurricular Activities. Certain extracurricular activities, including dances and prom, may require all students and guests attending to submit to a breathalyzer test prior to admission to the event. Consent forms will be provided and sent home with the student for signature by the student's parent or guardian. Signed consent forms must be presented at the door prior to breathalyzer testing in order for the student to be admitted to the event. Throughout the extracurricular activity, Administration may require students to submit to an additional breathalyzer test or tests.

Please know the school communicates with parents and students electronically. It is a parent and student responsibility to check email, access the home page, and stay in touch through social media resources.

Lockers

The lockers and locks are the property of Marquette Catholic, which reserves the right to appoint school personnel to inspect and regulate their usage. Lockers will be assigned alphabetically. No locks other than those issued by the school may be used. Students, however, should exercise discretion in keeping their combinations secret. The school is not responsible for items stolen. Students who have valuables that they hesitate to keep in their lockers should consult with the school office staff for possible alternatives. Lockers are to be kept clean, and any decoration of locker interiors must be nondestructive. Students may be asked to share a locker when needed. Students must turn their locks in at the end of each school year. Parents will be billed a \$10.00 locker fee.

Administration reserves the right to search lockers and personal property at its discretion.

All student pick-up and drop-offs should take place in the Scholl Center Student Parking Lot (lot directly west of the Scholl Center.) Students are to enter and exit the Scholl Center through Doors B1. Vehicles, including buses and automobiles, are **not** to utilize 10th Street as a pick-up or drop-off location. Students are to use any of the three designated crosswalks when crossing 10th Street.

Parking

In cases where it is necessary for a student to drive a car to school, it is essential they respect the following guidelines:

- Observe safe driving rules at all times

- Students are to park in the Marquette Student Scholl Center/Gym designated parking areas
- Students may not park in the Faculty/Visitors parking lot or on Buffalo Street between 10th and 11th Streets
- Cars that are parked on the street are subject to administrative search upon request
- Students who drive in a reckless manner will be subject to disciplinary action by Administration
- Parking passes for our gated student lot are \$50 available at the main office.

Physical Fitness Activities

Under Indiana law, a school is not liable for an injury to, or the death of, a participant in physical fitness activities, at this location if the death or injury results from the inherent risks of the physical fitness activity. Inherent risks of physical fitness activities include risks of injury inherent in exercise, the nature of a sport, the use of exercise equipment, or the use of a facility provided by a school. Inherent risks also include the potential that you may act in a negligent manner that may contribute to your injury or death, or that other participants may act in a manner that may result in injury or death to you. You are assuming the risk of participating in this physical activity.

Safety Drills

Fire and tornado drills along with code red and blue drills are held regularly by the laws of the State of Indiana to develop safety practices that will help students move quickly and in an orderly manner to designated safety areas during an emergency. Rules of safety are reviewed regularly and posted in each classroom. During a drill, personal safety will depend on the way in which students carry out regular procedures or modified instructions which the situation may face. Any disturbance, including talking during emergency drills, will result in disciplinary action.

Field Trips

If the teacher or Administration member considers it an enriching, educational experience for students to attend a program or visit a place of interest, parental permission must be secured in writing, in advance, for any student to be a part of the field trip. Students must be in school uniform for field trips. Field trips should be taken on Fridays. Students are NOT considered absent from a class when attending a field trip..

Withdrawal Procedures

Students withdrawing from Marquette must first complete a "withdrawal form". These forms must be completed and signed by both student and parent, and returned to the main office. All financial responsibilities must be current in order for transcripts to be forwarded to a new school. An exit interview will also be conducted.

IX. TECHNOLOGY/RESPONSIBLE USE POLICY

Please note: All of Marquette Catholic's communication is done via electronic mail. We remind all students/parents to check their email on a daily basis.

Use of the Internet is determined to be a privilege and not a right of Marquette students. As such, Internet usage will be regulated.

School respects the right of parents/students to use social media and networking sites, message boards and forums, as well as personal websites and blogs. It is important, however, that the use of these sites does not damage the reputation of, or pose any threat to the school, its administrators, faculty, employees, other students, or their families.

If what is posted inside or outside of the school results in the disruption of normal school operations and detrimentally impacts another student, family, faculty member, staff member, the school and/or the school's reputation, the Administration will pursue disciplinary action.

The school administration has the right to pursue legal or civil avenues for on-campus and off-campus Internet use that disrupts the learning environment or is contrary to the principles and teachings of the Catholic Church.

The school does not intend to police websites, personal blogs, or social networking sites outside of the school. However, if sites are brought to the attention of the school administration by students, parents, or other individuals, the school reserves the right to address the behavior in accordance with diocesan/school policies, as well as civil laws.

- Parents/students should set appropriate boundaries for their online behavior; even personal communications reflects upon the school
- Parents/students should carefully review the privacy settings on any social media and networking sites and exercise care and good judgment when posting content and/or information
- Students may not access social media or networking sites through the school's network
- Parents/students must never pretend to be someone else when they post. Tracking tools enable an anonymous post to be traced back to the author
- Parents/students shall avoid defamatory statements about the school, Administration, employees, students or students' families
- Parents/students shall not make statements that are discriminatory, sexually explicit, or include offensive language
- Parents/students shall not post rumors, slander or threats of violence; cyberbullying is never allowed
- Parents/students shall not access, post, or distribute obscene or pornographic materials
- Parents/students shall not disclose any confidential information of the school or any individuals, including students and their families

If Marquette believes that a student has violated this policy, the student may lose access to the Internet, school network, and/or technological equipment. Additionally, other disciplinary action, including dismissal, may be taken as determined appropriate by Administration. If applicable, law enforcement agencies may be notified of any violation of the letter or spirit of this policy.

Parents will be held accountable to this policy. The administration will address violations in a manner appropriate to the violation; this may include removal from the school; and, if applicable, law enforcement agencies may be notified of any violation of the letter or spirit of this policy.

iPad Responsible Use Policy

Providing students with an individual iPad in a 1-to-1 environment provides an opportunity to enhance each student's overall learning experience. Utilizing the iPads at Marquette Catholic gives students the access to learn anywhere, anytime - both in classrooms and at home. This 1-to-1 personalized learning also narrows the digital divide between students and promotes responsible use of today's ever-changing technologies.

All iPads remain property of Marquette Catholic High School until the student has graduated. All applications (apps), files, and documents stored on the iPad are the property of Marquette. Marquette reserves the right to confiscate and search a student's iPad to ensure compliance with the Acceptable Use Policy. Students in violation of the Acceptable Use Policy may be subject to but not limited to; disciplinary action, repossession, overnight confiscation, removal of content. Safeguarding and Maintaining as an Academic Tool

- iPads are intended for use at school each day. In addition to teacher expectations and class materials for iPad use, school messages, announcements, planners, calendars and schedules may be accessed using the iPad. Therefore, pupils are responsible for bringing their iPad, fully charged, to all classes each day. Charging at school is only available during lunch.

If an iPad is left at home or is not charged, the student remains responsible for completing all coursework as if they had used their iPad. Malfunctions or technical issues are not acceptable excuses for failing to complete an assignment, unless no other means of completion exist.

- Items deleted from the iPad cannot be ‘undeleted’, so backing up your work is very important. Work completed on the iPad should be e-mailed to your Marquette account. This is another way of protecting the work you have done on the iPad.
- Preloaded apps may not be deleted and they must be updated periodically.
- Memory space is limited. Academic content takes precedence over personal files and apps. In the case of memory space conflict, personal files/apps must be removed at the student’s expense.

- Non-educational content is for personal use only and should not be shared in any manner, audio or visual, with other students. The volume is to remain on mute unless headphones are attached and/or permission is obtained from the teacher.

- If the iPad is lost, stolen, or damaged, the Principal's Office must be notified immediately.

iPads that are believed to be stolen can be tracked through the MDM(school's management program for the iPads). Lost iPads that cannot be recovered are capable of being remotely wiped. The student is responsible for the full cost for replacing an iPad that is lost, stolen, or damaged.

The iPad is subject to routine monitoring by teachers, administrators, and the technology staff. The Marquette Catholic Technology Staff will periodically monitor iPad wireless activity. If the acceptable use policy is violated, the iPad may be remotely locked down, wiped, and/or confiscated.

X. AGREEMENT FOR STUDENT ENROLLMENT

All parents and guardians (herein “parents”) who believe that a Catholic school is a proper educational and religious environment for their child, and would like their child to attend a Catholic school, must adhere to the following agreement with their Catholic school:

Parents agree that the learning environment and religious nature of the school are guided by the Catechism of the Catholic Church.¹ Among other things, the Catholic Catechism states: “*By creating the human being man and woman, God gives personal dignity equally to the one and the other. Each of them, man and woman, should acknowledge his sexual identity.*” (2393 Catechism of the Catholic Church.)

Further, they acknowledge that a Catholic school looks to the recent encyclical, *Laudato Si*, wherein Pope Francis stated “*Our body itself establishes us in a direct relationship with the environment and with other living beings,*” and that “*learning to accept our body, to care for it and to respect its fullest meaning, is an essential element of any genuine human ecology.*” “*Valuing one’s own body in its femininity or masculinity is necessary if I am going to be able to recognize myself in an encounter with someone who is different. In this way we can joyfully accept the specific gifts of another man or woman, the work of God the Creator, and find mutual enrichment.*”

In application of these religious beliefs, students will be limited to using the restroom/locker room matching the student’s biological gender as created, meaning as it would be defined by the student’s chromosomes. This means, for example, that no person with a Y chromosome may enter the girls restroom/locker room.

If serious concerns arise as to a student’s and/or parent’s position or action(s) with respect to the tenets of the Catholic faith, then parents will be counseled by School. If the matter involving the parents/student(s) is not resolved to the satisfaction of the school, which is seeking to uphold Catholic principles, then the parent will be asked to withdraw their child(ren) from School and they agree to do so immediately. If they fail to do so, parents understand that their child(ren) will be expelled from the Catholic school.

Parents understand and acknowledge that prior enrollment in a Catholic School does not establish a precedent for further schooling by Catholic school nor constitute a guarantee of placement for subsequent years.

Parents agree to share with Administration and classroom teacher(s), in writing if requested, professional recommendations and/or treatment reports regarding their child’s medical, psychological, and/or social situation.

XI. TRAVEL PERMISSION SLIP

This is a blanket permission slip to cover trips taken during regular school hours.

¹The Catechism of the Catholic Church can be found at the website for the United States Catholic Conference of Bishops: www.usccb.org/beliefs-and-teachings/what-we-believe/catechism/catechism-of-the-catholic-church/epub/

I understand that my student may have the opportunity to participate in field trips that will take him/her away from campus. I understand that these trips will be under the direct supervision of a Marquette faculty member and that my child will be transported in a Marquette bus. I request that my student be allowed to attend such field trips. The undersigned agrees to release, hold harmless and indemnify Marquette, its agents, representatives and employees from all claims, damages, or other liabilities for injuries to my student which are not the result of gross negligence, intentional neglect, or willful or wanton conduct by the school or its agents, representatives, or employees.

XII. PHOTO RELEASE PERMISSION

I authorize the use of images of my child/children/host child. I give permission to the use of these photographs for placement in local newspapers, school publications, and associated educational documents and publications, including official school website, and/or media site.

I understand that access is being provided to the students for educational purposes only. However, I also understand that it is impossible for the school to restrict access to all offensive and controversial materials and understand my child's responsibility for abiding by both policies. I am therefore signing this Policy and agree to indemnify and hold harmless Marquette Catholic High School against all claims, damages, losses and costs, of whatever kind, that may result from my child's use of his access to such networks or his violation of the foregoing Policy.
