

March for Life Scholarships:

Three scholarships for students interested in going to the March for Life in Washington D.C. are being offered to full time students between the 7th and 12th grades. The trip needs to be one organized by the school or Gary Diocese, including the trip offered by the Knights of Columbus.

The applicant needs to write a one page (type written) personal explanation of what the student understands about the March for Life Rally and why they would want to participate in going.

Mail the essay to LPCRTL, P.O. Box 9404, Michigan City, IN 46361-9404.

After the essays are received, the LPCRTL board will review and choose three students to be awarded with a \$150 scholarship used for the expenses for the trip.

Also required is a follow up article expressing what the experience meant to them and what they learned.

If a student is compelled, they can be hosted to our banquet in the fall of 2020. This is not necessary or required.

Please feel free to contact me with any questions you may have,

Sheryll Werner

President LPCRTL
