The “Raiserright” SCRIP program allows you to purchase gift cards for face value then receive a rebate percentage on each card. Those rebates earned from SCRIP will then be applied quarterly to any outstanding fees and tuition. There are no refunds or returns for unused SCRIP profits. Profits generated beyond the cost tuition will be used to support the SCRIP program. Please surf the Raiserright website to familiarize yourself with all the available vendors and the rebate % they afford.

Still not completely clear...if you purchase a \$100 Kohls card at 4% rebate then when it is time to credit your account at the end of the semester you will receive \$4 in tuition credit for that particular card. Imagine the possibilities, that is only from 1 card. We have families within our school who purchase SCRIP every week and then receive **several hundred dollars** in tuition credit each semester. This is just for purchasing cards to buy things you would have bought anyway!

When registering your account online you will be asked if you wish the funds to be applied to a specific student. If you are going to support a specific student, enter his/her name in the drop down box. If you are an alumni or faculty and wish to contribute to our scholarship fund and tuition assistance for all students, type BLAZER in the drop down menu or leave completely blank. 100% of all rebates support the gap between per pupil costs and tuition. **Encourage your relatives and friends to enroll in SCRIP on your behalf.**

It is best to enroll in PRESTO PAY and register a checking account as payment. You may also pay by credit card. It may take a day or two to register your payment method before you are able to make a purchase.

SCRIP orders are placed weekly. Order deadline is Sunday at 11:59 PM. SCRIP orders will be sent home with your student by Thursday while school is in session. During the summer, orders will be available for pick-up in the main office by Thursday AM. There are also SCRIP NOW and re-loadable cards can be purchased and reloaded online at any time as well as a “ship to home” ability.

Use the Raiserright app to access and purchase cards with ease!
